EUSKAL ETXEKO BERRIAK *Club News*

Winter is coming, but the weather is still sunny in Southern California! We had a good turnout last month at the Trinketa for the handball games and lunch following at the Basque Club. After the delicious lunch, we enjoyed some singing by the handball players and their Coach Pampi Laduche. This month, we will be having our annual Memorial Mass and Tripota lunch immediately following. This is usually a great turnout, as there are many blood sausage

lovers out there. If you have never tried it, come on down and taste it! Since we started the Memorial Mass years ago, we have posted on our wall plaques in the clubhouse the names of those people that were sent to us. During the mass, celebrated by Aita Altuna starting at 10AM, all of those same people will be remembered. This is one of the most important days of our Basque club calendar so we hope that you will be able to join us. The club memorial works in a simple fashion. If

you would like someone remembered, please send the name(s) to the club PO box. There is no fixed price for this; people having been sending donations as they see fit. Recently, our club was contacted by the family of Albert Perez, as they are desperate for help. Albert is in the end stages of kidney failure and needs a transplant from someone matching his blood type. Like many Basques, he has a rare blood type. If you are interested in helping or reading more about this, please visit www.alperez.org.

The Perez family thanks you in advance! This month, members will find a nomination ballot for our annual round of voting for directors. Please complete the ballot and either send it back in the mail to the PO Box or turn in at the Club Christmas Party.
